Subject: Regarding- Making U-DISE 11 digit code mandatory for improved coverage of schools under U-DISE.

Sir/Madam,

Please find enclosed herewith a letter dated 22.07.2016 of NUEPA regarding the requirement for coverage of all schools under Unified District Information System for Education (U-DISE).

2. As you are aware, the U-DISE database is widely relied and utilised for various policy initiatives, monitoring progress of States / UTs on various educational parameters, providing information to Parliament, other Ministries and Departments on various issues relating to education. etc. Uniformity in collection of database under UDISE will definitely enhance the acceptability thereof. Recently NUEPA, which is collecting and operating UDISE database has brought the issue of non coverage of several schools under CBSE, ISCE and State Boards under U-DISE.

3. It is therefore requested, that necessary instructions maybe issued to all concerned to make U-DISE, 11 digit code mandatory for schools affiliated to your Board to ensure complete coverage and uniformity of data in respect of all schools.

Yours sincerely,
